Journey of Students

K. Ramprakash

Class 6, Uttar Pradesh

Coming from a farming family in Garda village, Sonbhadra, Uttar Pradesh, K. Ramprakash faced financial challenges and limited access to quality education. Long walks to an under-resourced village school affected his interest in learning and his academic progress.

In 2022, joining the Swami Dayananda AIM for Seva Chatralayam for Boys, Basantpur, Uttar Pradesh, marked a turning point in his life. With a structured routine, dedicated academic support and a nurturing environment, Ramprakash began to flourish. His Hindi skills improved, his confidence grew, and he began participating in school speech competitions with greater enthusiasm.

Today, Ramprakash is a focused and motivated student with a dream of becoming a police officer. His journey is a testament to how education, encouragement and the right opportunities can turn challenges into stepping stones towards a brighter future.
